

Dearest Mamma, we come to you with the greatest humility to ask you for a very great grace, to incorporate our prayer, our little insignificant sufferings in union with the gift of the divine will taking possession of our souls, this great gift that the Eternal Father has given us through you and your most blessed son, Jesus Christ, our savior, our brother, our friend, our crucified king. Dearest mother, through all the acts of Saint Joseph, we desire to bring all his acts into our hearts to place us in the midst of the holy family in Nazareth. Joseph, son of Jacob, the one whom Father had chosen to take care of you and Jesus in your earthly life. Through all his acts Mamma make each prayer and make each word we pray be a spiritual rose a spiritual bouquet; through your Immaculate Heart so the acts of Saint Joseph will be the foundation stone of the Divine Will center.

“Devotion to St. Joseph is one of the choicest graces that God can give to a soul, for it is tantamount to revealing the entire treasury of our Lord’s graces. When God wishes to raise a soul to greater heights, he unites it to St. Joseph by giving it a strong love for the good saint.”

St. Peter Julian Eymard

It was by Divine edict from eternity that Saint Joseph would be the Father of Jesus on earth and the spouse of the Mother of God. Saint Joseph you were called to have an ineffable part in the mystery of the incarnation. Next to mystery of the Holy Trinity you were called in the great mystery of the Incarnation, we adore the Most Holy Trinity, thank, bless and adore the very act of the Edict that decreed you as the Father of Jesus on Earth.

You Saint Joseph by predestination were placed in the sovereign order: Jesus true God and true Man, Mary, true Mother of God, and you the putative father of Jesus. Jesus is the subject of the Incarnation, Mary is the co-redemptrix of the operation, and you were the depository of these acts as the honor of the mother and son would remain intact. We put our I love you; I bless you, and adore you in the act of the Blessed Trinity for the gift of your role in the Hypostatic union.

To you Saint Joseph, The Eternal father committed wholly into your charge of his well-beloved son, the divine son, delivered himself entirely to your care and to your will. The Holy Spirit considered and committed to you his most immaculate spouse, so that this holy family of yours, Joseph, who became the head became another triad on Earth, a resplendent image of the most holy triad in heaven the ever-blessed Trinity. Joseph, representing the eternal father, Jesus, representing and being in every truth, the eternal word and Mary representing the eternal love the Holy Spirit. St Francis Desales said, “ ***We may say these are his words, that the holy family was a Trinity on Earth, which, in a certain way, represented the heavenly Trinity itself.*** “ We place our I love you, I bless you, and adore you in the acts of the Heavenly Triad on earth and the role of Saint Joseph as King of the Church, families, and workers.
