DO YOU HAVE THE HEART TO REFUSE MY GIFT TO YOU?

"I come into your midst with My heart; all drowned in flames of love. I come as a father to be among My children because I love you so very much. My love is so great that I come to remain with you so that we may live together with one single will. With one single love. As I come to you, I bring with me My pains, My blood, My works, and even My very death..."

Look at me. Each drop of My blood, each of My pains and steps and all the things I did compete with one another because they want to give you My divine will. Even My death wants to give rebirth to the life of My will in you. I have prepared everything for you in My humanity; And I've prepared for and obtained grace, help, light, and strength for you to receive a gift so great. On My part, I have done everything; So now I am waiting for you to do your part. Who would be so ungrateful as to turn me away and not welcome the gift I am bringing to you?.....Know that My love for you is so great that I will forget about your past life, your sins, all your evils; And I will bury them in the ocean of My love to burn them all away; and we will begin a new life together, all My Will." So, I say to you My children:

"Thy Kingdom Come, thy Will be done on earth as it is in heaven...." MT 6:10

"Knock and the door will be open to you, seek and you shall find...." Luke 11:9-10

WHO IS LUISA PICCARRETA, LITTLE DAUGHTER OF THE DIVINE WILL?

<https://www.youtube.com/watch?v=AvZsIWPTazQ>

The Servant of God Luisa Piccarreta, (1865-1947), born in Corato Italy, is the chosen soul to first receive the Gift of the Divine Will. By giving her Fiat, The "Little Mamma" of the Divine Will" is the first person born in original sin to receive the gift of Divine Will to fulfill the Our Father prayer, "Thy Kingdom Come, Thy Will be done, on earth as it is in heaven."

Born in original sin Jesus transformed her soul into a Paradise, His Kingdom in preparation for the New Millenium, the New Springtime, the anticipated Era of Peace. To prepare for this gift Luisa spent her life bedridden at the request of Jesus living on the Eucharist for 65 years. The Gift of Living in the Divine Will is the Prodigy of Prodigies, the ultimate gift for humanity and God's decree to transform humankind to its original creation and preparing His children for the *Third Fiat of Sanctification*.

Because of Luisa's yes, we too can now receive the Gift and pay it forward for future generations as forerunners to prepare for the Fiat of Sanctification. From Saint Padre Pio below:

"The world will be filled with Luisa...The third millennium will see her light."

— Saint Padre Pio

Jesus to Luisa: *"Listen, I went around the earth over and over again, and beheld all souls one by one to find the lowliest of all. Among the many I found you, the humblest of all. I was charmed by your lowliness and I chose you."*

— L. Piccarreta, *Book of Heaven*,
Volume 12, March 23, 1921

LUISA'S APPEAL

.... And now a word to all you who shall read these writings: ... I pray you, I supplicate you to receive with love what Jesus wants to give you, that is, His Will. But to give you His Will, He wants yours, otherwise It will not be able to Reign. If you only knew with how much Love my Jesus wants to give you the Greatest Gift that exists both in Heaven and on Earth, which is His Will!

— The Little Daughter of the Divine Will
